Hi there, thanks for the reply, I did indeed open another Half Life, installed all the games and then did as you suggested. I have since done the same thing with a steam installer and CD Key and did the same thing. I then went to the game and did a play 4 key, it said Steam could not find a Steam account registered with that email, do you want us to create a new account for you? I replied yes and it said STEAM_SERIAL_NOT_FOUND'. Could you please reply and give me the full email address for this game, and then I will know if there is any way to get it unlocked, please. Half life 2 is playing for a while, i just want to play the first half life game on steam. I have it installed but when i play it hangs on the race on the white house, and I'm not sure how to get it unlocked, any help would be appreciated steam cd key, steam key Best of all, we can do all this over email - so if you send us the Steam Store ID of the Steam game you want to get Ā. They are so addicting (if you look closely) and I am hoping to be able to unlock mine via working on some maths. I guess I'm just trying to find the easiest way to do it.
